

Please fill out the attached entry form to be part of the South Texas Blood and Tissue Center's first Picassos under the Pavilion Chalk Art Festival! Join us and Connect for Life!

Saturday, April 10, 2010, 9am to noon, 6211 IH10 West, San Antonio

Theme: Connect for Life

People who give the gift of life through donations of blood, platelets, marrow, cord blood and tissue are connected. They're connected to those who receive their precious gifts. They're connected to the families and friends of those patients whose lives they've saved. They're connected to other donors - sharing a bond of selflessness, of giving. And they're connected to the community for life because their gifts are a vital, life-building legacy.
